

# ANC1D IMPACT REPORT 2023

*Ribbon cutting at 19th & Lamont playground 5/21/23*

## A NEW COMMISSION

In 2023, ANC1D welcomed two new single member districts, bridging the commission area from Mount Pleasant to east of 16th Street into Northern Columbia Heights, to represent 14,000 residents.

35

Resolutions & letters passed unanimously

50

Average meeting participants, up from 15

2

New Committees: Administrative & Public Safety

### PROJECT

### ANC ACTION

### OUTCOME

#### Amigos Park Design

Urged agencies to seek community input on new park planning & design

Department of General Services added Amigos Park Coalition to planning meetings

#### District-wide Boundary Study

Requested community meetings accommodate non-English speakers

Deputy Mayor for Education hosted one Spanish-first meeting & added translation to all English meetings

#### Litter-Free Community

Requested improvement in basic District services for public waste

Four new public litter cans installed throughout Mount Pleasant & Northern Columbia Heights

#### Safe Streets

Requested improvements to traffic around Bancroft

New crosswalk installed with improved signage and traffic calming at Ingleside and 18th St

### EXPANDED CAPACITY

In August 2023, the ANC hired its first-ever paid position! With a part-time Administrative Assistant, the commission has returned to in-person meetings and improved responsiveness.
