Agenda

[7:11 pm] Jack displayed the proposed agenda for the evening, sharply curtailed because of the preference to have all five commissioners present for controversial topics. The commission agreed to the proposed agenda.

Chairperson's report

[7:18 pm] Rosa presented a brief Chairperson's report.

Secretary's report

[7:22 pm] Jack asked if there were corrections to be made to the minutes of the April meeting. No corrections were noted, so the minutes were deemed accepted.

Unfinished business: Bike stands on Mt. Pleasant street

[7:32 pm] Adam discussed the current ideas for new bike locking stanchions on Mount Pleasant Street. Then this topic too was tabled until the June meeting.

Terminate Purple Patch Settlement Agreement

[7:39 pm] Jack offered the following resolution:

> Resolved, that ANC1D advises the Alcoholic Beverage Regulation Administration to approve the petition by the Purple Patch Restaurant, 3155 Mount Pleasant Street NW, License ABRA-098066, for termination of its Settlement Agreement.

> Why: Many of these agreements in Mount Pleasant have been terminated in recent years, with no ill effects observed. It is evident that these decade-old agreements are obsolete and unnecessary. This Commission is confident that any problems that may arise can be resolved by direct negotiation with the proprietors of the restaurant.

> *Resolution passed, 3 to 0 vote.*

BZA filing for 1632 Hobart

[8:40 pm] Jack moved the following resolution:

> Resolved, that ANC1D advises the Board of Zoning Adjustment to approve the special exception for the back deck at 1632 Hobart Street NW, BZA Application No. 19291.

> Why: The commission agrees that this deck "will not tend to affect adversely the use of neighboring property", and is consistent "with the general purpose and intent of the Zoning Regulations". Back decks are commonplace in Mount Pleasant, so this construction is normal for this neighborhood.

> *Resolution passed, 3 to 0 vote.*

Adjournment

[8:44 pm] The meeting was adjourned at 8:45 pm.
