Annual Report, ANC1D, 2022

“By December 1 of each year, each Commission shall publish an annual report or newsletter that summarizes the activities of the Commission in service to the community over the preceding 12 months, including a highlighting of key issues voted upon, comments submitted to District agencies, and issuance of community grants.”

ANC1D has a constructive, partnership arrangement with the numerous taverns and restaurants of Mount Pleasant. All the above resolutions consisted of advice to ABFA to grant the requested licenses or license renewals. The Commission is confident that, should problems arise, they can be dealt with by cooperative action.

Resolutions concerning zoning and permit issues:

Item	Target(s)	Posted	Date sent	To OANC
1656 Hobart BZA	BZA	02/28/22	02/28/22	03/23/22

Renaissance/Kenesaw	DMPED	09/21/22	09/21/22	10/31/22
1614 Kilbourne Place	HPRB	10/26/22	10/26/22	10/31/22

ANC1D's approach to permitting issues is to provide expert advice to applicants, to develop permit applications that will be approved by the pertinent District agency, and which are compatible with the

Mount Pleasant neighborhood. Because most of Mount Pleasant is a historic district, historic preservation issues are frequent, and are commonly very troublesome for residents. While respecting the desire for historic district compatibility, ANC1D advises reasonable flexibility by the HPO and the HPRB concerning individual judgments.

ANC1D resolutions directed to the District Department of Transportation:

Item	Target(s)	Posted	Date sent	To OANC
MtP Revitalization	DDOT, OP	07/28/22	07/28/22	07/28/22

Other ANC1D resolutions:

Item	Target(s)	Posted	Date sent	To OANC
Human Rights Sanctuary	Council	05/25/22	05/25/22	05/25/22
Noncitizen voting rights	Council	07/28/22	07/28/22	07/28/22

This ANC took stands on two extraordinary issues: abortion rights, and voting rights. After the Supreme Court Dobbs decision, ANC1D's Human Rights Sanctuary resolution, passed by unanimous vote, asserted that “This ANC . . . believes the right to make reproductive decisions is a human right that belongs solely to the person involved, irrespective of financial circumstances or place of residence”. Concerning voting rights, ANC1D endorsed the measure in District Council providing local-election voting rights to legal but noncitizen residents, and advised that the right be extended to residents with TPS or DACA status.

Community grants and public service funds:

ANC1D issued no grants in calendar year 2022.

Annual report prepared November 6, 2022; approved by ANC1D November 15, 2022.
